One of the Representatives at the last conference that they have conferred together on the subject of what has been called an "Ordinance" to give B. B. as for Clerk and Quince for Treasurer and Clerk which being approved they are appointed for those services for one year.

The committee to visit Gertrude W. Jenkins have presented the following report viz.
 To the Society Meeting to be held at Lyons, N. Y. Oct. 1st.
 I have the honor to inform you that we have had an interview with Gertrude W. Jenkins on account of the complaint brought against her. It though she has not obtained the consent in the establishment of her marriage. She still manifests an attachment to society and a preference for retaining her right of membership - which privilege we think would be an inconsistency in granting - as she informed us that her husband had been sent for the purpose of visiting in the religious service of another denomination where we believe they had decided to attend. It much is submitted to the judgment of the Society.
